# LINCOLN CITY HALF MARATHON

Lincoln City Foundation in collaboration with Curly's Athletes are bringing the Lincoln City Half Marathon to your local community on Sunday 18th September 2022.

## The Route

We would like to let you know about the event as your road will be impacted for a period of time by the event.

## Route Breakdown

We anticipate runners will be passing through your community between 9:10 am to 12noon.

Time either side of this may be required to support traffic management installation, dismantling and the safety of those involved in the event.

Please note, not all roads are subject to a full road closure, nor will all closures be in place for the full event time. Where possible, there will be access and exit plans for your area during these times.

The roads below represent the running route and additional roads adjacent or connected to the following may also be impacted. We are working with our partners to ensure disruption is kept to a minimum.

- Brayford Waterfront
- Brayford Bridge (pathways)
- Rope Walk (canal path crossing)
- University of Lincoln Campus
- Brayford Wharf East
- Canal Towpath
- The Sidings (canal path crossing)
- Firth Road (canal path crossing)
- Boultham Avenue (canal path crossing)
- Dixon Street (canal path crossing)
- Newark Road (right turn onto Rookery only)
- Cycle path off Newark Road (heading north to Boultham Park)

Get In Touch If you have any questions about the event, please email: [contact@curlysathletes.co.uk](mailto:contact@curlysathletes.co.uk)
